

# Congratulations,

you have been invited to our "Family Care Team"

## Welcome,

We are committed to providing you the best care, support and resources possible for you and your family. The Family Care Team brings together people from different agencies and programs you are working with and help make it less confusing and more streamlined. You are the most important part of this team and we encourage you to take an active role on this team.

- We are dedicated to your well being
- We ensure your voice and choice are heard
- We ensure you and your family receive the best resources
