

Instructions for Obtaining NCQA Value Set Spreadsheet

1. Navigate to [the NCQA website](#). (If clicked from electronic copy of this document, you will navigate directly to the value set page)
2. Choose “Add to Cart”

The screenshot shows a product listing for the "2016 Quality Rating System (QRS) HEDIS Value Set Directory". On the left is a red icon of two overlapping squares with an arrow pointing from the top-left to the bottom-right. To the right of the icon, the product title is "2016 Quality Rating System (QRS) HEDIS Value Set Directory". Below the title, it says "Availability: In stock". The price is "\$0.00" and the quantity is set to "1" in a small input box. A yellow "Add to Cart" button is on the right. Below the product information, there is a horizontal line and a paragraph of text: "This Value Set Directory (VSD) includes value sets and codes needed to calculate and report HEDIS measures included in the 2016 Quality Rating System (QRS). The *General Guidelines and Technical Specifications for HEDIS Measures Included in the 2016 QRS* publication is available through the Centers for Medicare & Medicaid Services website: <https://www.cms.gov/Medicare/Quality-Initiatives-Patient-Assessment-Instruments/QualityInitiativesGenInfo/Downloads/2016-QRS-Measure-Technical-Specifications.pdf>."

3. Navigate to “Check Out.” First time users will be prompted to create an account. After doing so log in as requested.
4. Once you have logged in, return to check out and select “Ship to this address”

5. Documents will be emailed to you in a few minutes. It initially appears like they are going to send you a hard copy, but it comes electronically.
6. Once downloaded, navigate to the sheet entitled "QRS Value Sets to Codes."
7. Filter by Value Set Name to populate the sheet with only those you need (e.g. Pregnancy Value Set).
